La question de l'immigration inquiète les Français

Aux élections présidentielles de 2017, le Front national est sorti en deuxième position. Nouvellement rebaptisé Rassemblement national, ce parti d'extrême droite a obtenu plus de votes que les autres partis français aux élections européennes en 2019. Ce qui est inquiétant, c'est que plus que jamais, grâce au parti de Marine Le Pen, l'immigration et l'insécurité sont au centre des débats politiques en France.

Questions

- Que dit-on ici sur l'attitude politique des Français ?
- Que pensez-vous des informations données ?
- D'après ce que vous en savez, comment est-ce qu'on traite la question de l'immigration, en France, ou ailleurs dans le monde francophone ?
